Dear Jeff:

We have reviewed your draft Non Metropolitan Local Official Consultation Process.

We are satisfied that the residents of Sitka will have an opportunity to comment on proposed State DOT projects as required in the 1991 ISTEA.

In each case the official position of the municipality will be stated by the elected Assembly of the City and Borough of Sitka. I would point out that the Sitka Tribe of Alaska will respond separately through their Tribal Council in many cases. We request that you provide separate notices for the Sitka Tribe of all applicable DOT actions.

Thank you for the opportunity to comment.
